Your Learning Link Subscription

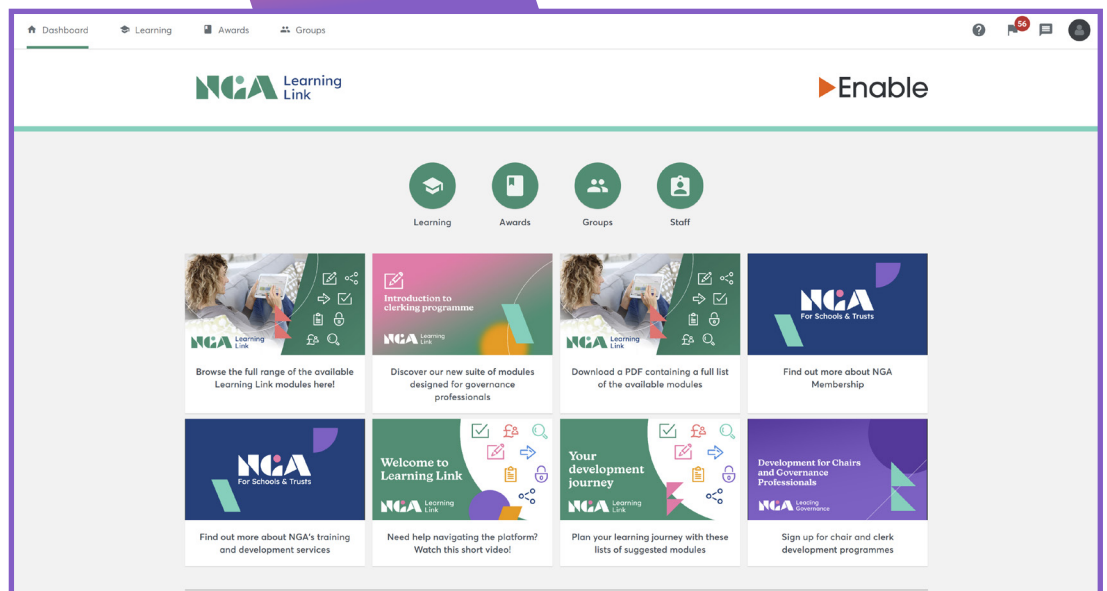

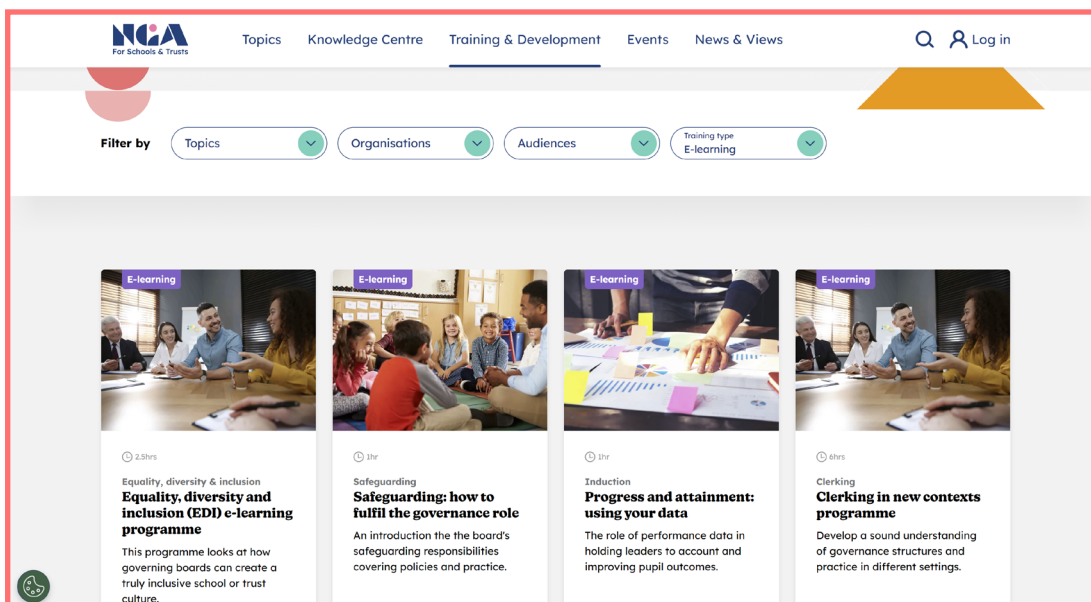

Welcome to NGA's e-learning platform Learning Link.

You now have 12 months access to over 60 modules, covering essential areas of governance knowledge that can be completed as and when you need them.

On the following pages we will guide you through setting up your account, how to access our e-learning, and give you some suggestions as to where you might like to start.

You can also find the [full list of available modules](#) on our website, as well as some recommended [development journeys](#) for your setting that will help you to get started.

If you would like our team to make you a Learning Link plan that sits alongside your board's existing training schedule, please get in touch via learninglink@nga.org.uk.
